Dehradun as “ddn.html”

9 .Image used at the bottom is try1.gif and it acts as a link to Ryanfaridabad.html .the link for “ table of contents ” is also same .

NATIONAL LEADERS TREE

### Republic Day

is India's important national event celebrated on January 26th every year. January 26 was not some random date picked out of the calendar. It was on this date in 1927, that the Indian National Congress, then fighting its non-violent war for freedom, voted for complete independence as against 'dominion status'. It was the date when members of the INC took the pledge to work towards a 'sovereign democratic republic' of India.

The Army	The President			
	Paramilitary forces		Police	
The Navy	25L	125L	75L	15L
Air Force	250L	65L	5L	85L

### Security

1. New Delhi
  - Republic Day Parade
  - Delhi marching on the Rajpath
2. Faridabad
3. Dehradun

**Table of contents**

**3. Question given below are based on HTML(Frame , Table and Form).**

sub result()
    dim i,m,p
    i=5 , m=7 , p= 19
    for i=m to p step 2
        sum=sum+i
        magbox("server and clint side scripting" )
    next
end sub
</script>
```

b) give the output for the following script code:

2

```
<script language="vbscript">
sub result()
    dim k,i
        k=10
        i=70
        do while (i<100)
            k=k+24
            i=i+10
            document.write (k)
        loop
        document.write(i)
    end sub
</script>
```

c) Rewrite the following code after correcting the errors:

2

```
<"script language" =vbscript>
sub result()
```

```

rem i,j,k
    i=5
do while i < 10 step 3
    k= i+j
    i=i-3
loop
end sub
</script>

```

d). Write a program in VBScript to print the following series using for loop

4  
3    5    8    13    21    34    55    89    144    233

**6. Question given below are based on Photoshop.**

a) Expand the following 2  
 i. PICT    ii . JPEG    iii. GIF    iv. BMP
